Certified for
Microsoft Teams

zoom Certified

Key Features

Exceptional voice pickup

Be heard clearly thanks to two omni-directional, noise-cancelling microphones that pick-up the voice instead of background noise

Quick and easy setup

Set up anywhere in seconds. The integrated mounting clip is designed to fit any monitor and ensures the right position every time

Ultra-high-definition video

Look professional on any video call with the ultra-sharp 4k camera that optimizes the picture based on light conditions

Instant picture control

Find the best picture setting with the smart floating menu that lets users adjust the field of view, light, and color

Certified solution

Certified for leading UC solutions including Microsoft Teams and Zoom, providing flawless user experience and trusted stamp of approval

What's in the Box

EXPAND Vision 1

Carrying box

Quick Guide

Safety guide

USB-C to USB-C cable

Additional benefits & features

Guaranteed privacy

Slide the integrated shutter to secure privacy whenever it's needed

Highly portable

Take it anywhere thanks to its compact design. The protective carry case also acts as a storage solution for all components

Streamlined cable management

90-degree angled plug guides the USB-C cable down to avoid interference with other devices and to fit small working spaces

Extra mounting options

If preferred, use the tripod mount with a standard third-party tripod to place the camera next to the screen

Preset fields of view

Switch between three predefined field of view angles with a single click. Select from wide view, default, and close-up

Warranty and support

Two-year warranty ensures the investment is protected. Get access to EPOS Support team for questions and assistance
