

# DCS-1

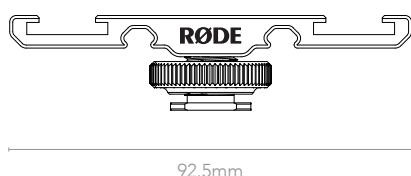

DUAL COLD SHOE MOUNT

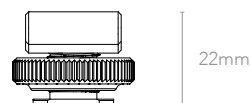

The DCS-1 is a dual cold shoe mount that allows for the neat mounting of two microphones or cold shoe accessories on a device with a single cold shoe mount. It is compatible with all RØDE products featuring a cold shoe adaptor, and includes cable management slots for select RØDE audio cables.

- Dual cold shoe mount
- Rugged construction
- Lightweight and discreet
- Sturdy base with 1/4" thread
