

Tempered Glass Screen Protection

Exclusively for

Touch and stylus compatible

Multi-layer construction provides high impact resistance

Oleophobic coating is resistant to smudge and fingerprint

We know your device screen is tough, but it is not indestructible. Avoid downtime, mitigate display replacement and extend the life of your technology investment by adding a stealth layer of display protection.

- 9H hardness protects the display glass from scratching.
- High light transmittance and superior optical clarity makes the protector nearly unnoticeable.
- Quick and easy, bubble-free installation.
