

Privacy Filter 2-way magnetic Universal (16:9) 23.8

Effective privacy protection for your screen.

The DICOTA 2-Way privacy filter is ideal for working in public environments such as libraries, open-plan offices, airports and trains. It protects personal and confidential data by darkening the right and left side of the screen from an angle of ± 30 degrees. The filter is easy to attach and remove thanks to integrated magnets. The enclosed self-adhesive magnetic strips allow it to be used on all frame surfaces. The filter also offers protection against scratches, reduces fingerprints and prevents reflections.<break>

Specifications

Art.no.:	D50057-2MG
EAN:	7640494878018
Weight:	0.036 kg
Material:	PET
Warranty:	24 months
Dimension:	526.9 x 295.9 x 0 mm
Max. Device dimensions:	0 x 0 x 0 mm

Characteristics
