

Leitz Laminator iLAM Touch Turbo Pro A3

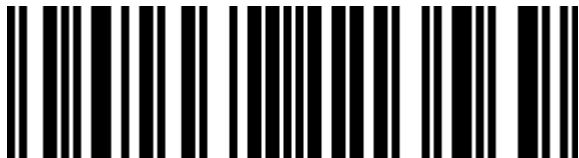

Brand : Leitz  
Product code: 75190000  
Product name : Laminator iLAM Touch Turbo Pro A3

Laminator iLAM Touch Turbo Pro A3

Leitz Laminator iLAM Touch Turbo Pro A3:

Fully automatic A3 high speed premium laminator with unique smart sensor technology. Recognises document thickness and automatically selects the best speed. Suitable for 80-250 microns. Just 1 min. warm-up time. With unique easy feed system for convenient insertion. For intensive professional use. Leitz Laminator iLAM Touch Turbo Pro A3. Maximum lamination width: 32 cm, Type: Hot laminator, Lamination speed: 2000 mm/min. Power consumption (typical): 1600 W, AC input voltage: 220-240 V. Width: 526 mm, Depth: 401 mm, Height: 43 mm

| Features                     |               | Features                    |                                       |
|------------------------------|---------------|-----------------------------|---------------------------------------|
| Type *                       | Hot laminator | Product colour              | Black, Silver                         |
| Lamination speed *           | 2000 mm/min   | Housing material            | Acrylonitrile butadiene styrene (ABS) |
| Maximum lamination width *   | 32 cm         | Reverse motor function      | ✓                                     |
| Maximum film thickness       | 175 µm        | Auto jam detection          | ✓                                     |
| Minimum pouch thickness      | 80 µm         | Certification               | CE                                    |
| Maximum pouch thickness      | 250 µm        | Power                       |                                       |
| Maximum document thickness * | 0.6 mm        | Power consumption (typical) | 1600 W                                |
| Lamination system            | Pouch         | AC input voltage            | 220-240 V                             |
| Laminating time              | 10 s          | Weight & dimensions         |                                       |
| Number of rollers            | 6             | Width                       | 526 mm                                |
| Warm-up time                 | 1 min         | Depth                       | 401 mm                                |
| Format *                     | A3            | Height                      | 43 mm                                 |
| Temperature (max)            | 142 °C        | Weight                      | 7.3 kg                                |
