### Product Overview

Want more space for your snacks? This Hisense fridge freezer is here to help you stock up on all those goodies you love. With room for 18 bags of fresh food and 8 bags of frozen groceries, you can get those extra ready meals. Tasty. If scraping ice away makes you sigh, then you'll love the Total No Frost tech, because it moves cool air around to stop frost building up. And when you want a refreshing drink, the non-plumbed water dispenser has your back - fill the tank and enjoy a chilled glass whenever you want. Mushy greens? There's also a drawer that keeps humidity just right for crunchy fruit and veg - move the slider and it'll adjust to what you're storing
