Mobile vet with trailer

schleich HORSE CLUB Mobile vet with trailer:

The Tennessee Walker foal is not doing well at all. The mobile vet has to come by with a trailer. Mrs. Kramer has lots of medical instruments and even an X-ray machine on the trailer of her pick-up truck. That means she can look after the animals wherever she is. The little foal is sure to be back on its feet soon.

Oh dear, the Tennessee Walker foal has been injured. It's limping and needs to be examined urgently. It's so lucky that the mobile vet with her trailer is not far away. Mrs. Kramer arrives soon in her pick-up truck. The first thing she does is to take an X-ray. Luckily, nothing is broken. She puts some ointment on the leg and then carefully applies an adhesive bandage. As a reward, she holds out a carrot to the foal. There you go, at least it's eating! The little one will soon be completely healthy again.
