Vivolink PROHDMIOP70AM-DRUM HDMI cable 70 m HDMI Type A (Standard) Black:

Vivolink Optical HDMI 4K Armored Cable, supplied on a robust 70-meter cable drum designed for safe transport and efficient handling. The drum features an extra-high outer flange, making it easier to reel the cable in evenly and without slipping. An integrated connector compartment allows the HDMI connector to be securely stored inside the drum during reeling, preventing the cable head from rotating freely and reducing strain on the connector. This thoughtful drum design improves handling during installation, transport, and storage, while helping to protect the cable and connector from damage.
