[Wasgij Original 44 - Summer Games! \(1000 Pieces\):](#)

Wasgij is a unique puzzle concept that tests even the most enthusiastic puzzlers. With traditional jigsaws, the goal is to build the exact image shown on the box, but with wasgij, you must create an entirely different picture. Wasgij original is the 'what are they looking at?' puzzle concept. You must use your imagination and the clues provided to piece together not what you see on the box, but what the people on the box see.
