[eSTUFF GLB245500 headphones/headset Wireless Head-band Office/Call center Bluetooth Black:](#)

This comfortable on-ear headset is designed for all-day use and a top choice for anyone working in a busy office with 30 m wireless range and a dektop charging stand.

The noise-cancelling microphone and ultra clear HD quality audio ensures good sound performance even when working in a noisy environment.

There is even integrated busylights on both sides of the headband to limit disturbances and increase productivity.

The Skype for Business optimized headset can be connected to 2 devices at the same time and let you switch seamlessly between them to ensure maximum mobility and flexibility.
