Galaxy A33 5G Soft Clear Cover

Samsung EF-QA336TBEGWW mobile phone case 16.3 cm (6.4") Cover Black:

Sleek and subtle

Two choices let you go totally transparent to show off your phone's color, or add another layer of depth with a clear black tint. When it's on, the case's slim profile easily slides into your pocket or bag, while the smooth shape maintains the comfortable grip of your phone, too.

Battles against bumps and scratches

Made of a durable and flexible material called TPU^[1], this case safeguards your phone against the shocks and scratches it may encounter during the day. Simply put it on for clear protection.

Tie on some fun

It's easy to add some fun to your phone. Using the strapholes placed on either side of the case for your convenience and further customization, simply slip the strap or lanyard through to personalize your case and make your phone stand out from the crowd.
