PanzerGlass® HardCase iPhone SE (2020/2022) | 7 | 8

PanzerGlass® HardCase iPhone SE (2020/2022) | 7 | 8:

Put the design of your phone at center stage with the PanzerGlass® ClearCase. The case features a soft frame in classic black combined with a transparent back cover made of toughened glass, also called tempered glass, that provides a clear view of your phone's beautiful design. It has been drop-tested under 2 x Military Grade Standard conditions, which means it can withstand several drops from a height of 2.4 meters or a running-down-the-stairs-and-accidentally-dropping-my-device kind of height. The ClearCase also provides an extra level of protection from germs and bacteria by featuring an innovative anti-bacterial coating that is proven to kill up to 99.99% of the most common surface bacteria.

Our products are designed with a commitment to extend the lifetime of your device. The ClearCase frame is made from 100% recycled material and the case comes in FSC™-certified packaging that can be recycled.
