Braun CareStyle 3 IS3132WH 2400 W 2 L EloxalPlus soleplate Orange, White:

Smaller, lighter, and more powerful than ever before. Designed for space-saving storage and easy handling, the new CareStyle 3 is now 11 % smaller than the previous model. But despite its compact size, it features a new XL 2-litre tank that lets you iron for up to 2.5 hours without having to stop for water. And it is full of clever time saving features. You save 50 % time for what really matters thanks to the unique combination of FreeGlide 3D Technology and DoubleSteam Technology – which is standard for the entire CareStyle range. In addition, there's the innovative new Easy CalcClean system, which only takes two minutes to descale.
