Llama Foal

schleich FARM WORLD Llama Foal:

What soft cozy fur! The little llama foal is still young, but it already has thick, brown fur. The wool certainly keeps you nice and warm. In its native South America it is pretty cold, with the wind whistling in the mountains, so it certainly needs all that fur. When the spring comes, it's happy to be sheared and give away its wool to be knitted into a nice warm sweater. You can't beat that!
