GHE 18V-50 Professional

Bosch GHE 18V-50 Professional Single blade 2.6 kg:

The GHE 18V-50 Professional cordless hedge cutter is easy to handle thanks to its ergonomic design. The powerful brushless motor provides continuous trimming for medium-density hedges. With a cutting capacity of 20 mm, you can also cut thicker branches easily and comfortably. When trimming stubborn branches, the patented Bosch Anti-Blocking System prevents the cutting blades from jamming via electronic detection and automatic repetition of the cut. Thanks to its light weight, optimal balance, and ergonomic design, the cordless hedge cutter is well suited for longer work. The cordless hedge cutter's low noise level and emission-free operation make it the ideal tool for working in residential or other noise-sensitive areas.
